Dear Jerry;

I rec'd your letter today glad to hear everything is alright. I also heard from W. B. Stoner he said he would be up Saturday. I told you in the last letter that you didn't have to talk to Jones yet but I guess it wouldn't hurt anything what I was gone to do was wait until I found out when Stoner would be here but now I no, I guess you know this case is getting kind of complicated plus they have the trial date set for Nov. 12 and I don't think Howe can do everything that has to be done. What I would like for you to do is besides

talking to Doreen is to send me
his phone no. + address as a
Con write to him + explain the
circumstances of the case to him.
+ take it easy.
